Vanessa and Monika were really good friends when they were younger, but they've grown apart over the years. Vanessa became a bit of a wild child and Monika was the opposite. When they got together met this time they decided to get to know each other better. So they stripped each other naked to expose beautiful tight teenage bodies. Shy little Monika was nervous but Vanessa laid her back on the couch and fingered and licked her pussy. Then they switched and Monika took control! Time to bring out the toys. It's great to see old friends reunited.

MUST BE 18+

I'm a bit of a geek and a big fan of movies. Did you know there are 4 sides to the force: the Light side, the Dark side, the Redhead side, and the Cum inside?

Nadega is one of the cutest redheads ever and also happens to be one of the filthiest, ass hungry, anal chicks we've ever run across. Many girls brag that they are anal queens and some will even suffer to prove it, but Nadega is the real deal. When we first met her we noticed her cute, fresh-faced looks. But once you get past her innocent face and nubile body, she's a tigress in a white shirt and plaid skirt.

Do you really think I'm the type that won't do anal?

LATE NIGHT ANTICS

As a student, I work hard for little money and any extra is always welcome. I work at a very busy, trendy bar in the, what we call, the party district just off the campus at the University of Texas. After a unusually slow night at the bar, the owner, Carlos, suggested we lock up early. He said the remaining staff and a few friends could stay and party down since it was the holidays and pretty cold outside. After midnight we all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well. A couple that were friends with the owner were getting drunk quicker than the rest of us, and since they didn't have to work, they got a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Carlos, who was also the head bartender, had been giving me the eye, and apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did. As soon as one of the other waitresses got up from the bar stool next to me, Carlos came over and started small talking me.

I must have said the right things because the next thing I know his hand is between my legs, feeling the small wet spot that had started to soak my undies. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching. One of the other waiters walked over to us, took my hand and placed it on his huge cock that was already sticking out of his pants. I held it in a vise-like grip and started pulling on it, feeling it getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up

until now, I'm sure he never thought it would be from me since he was gay!

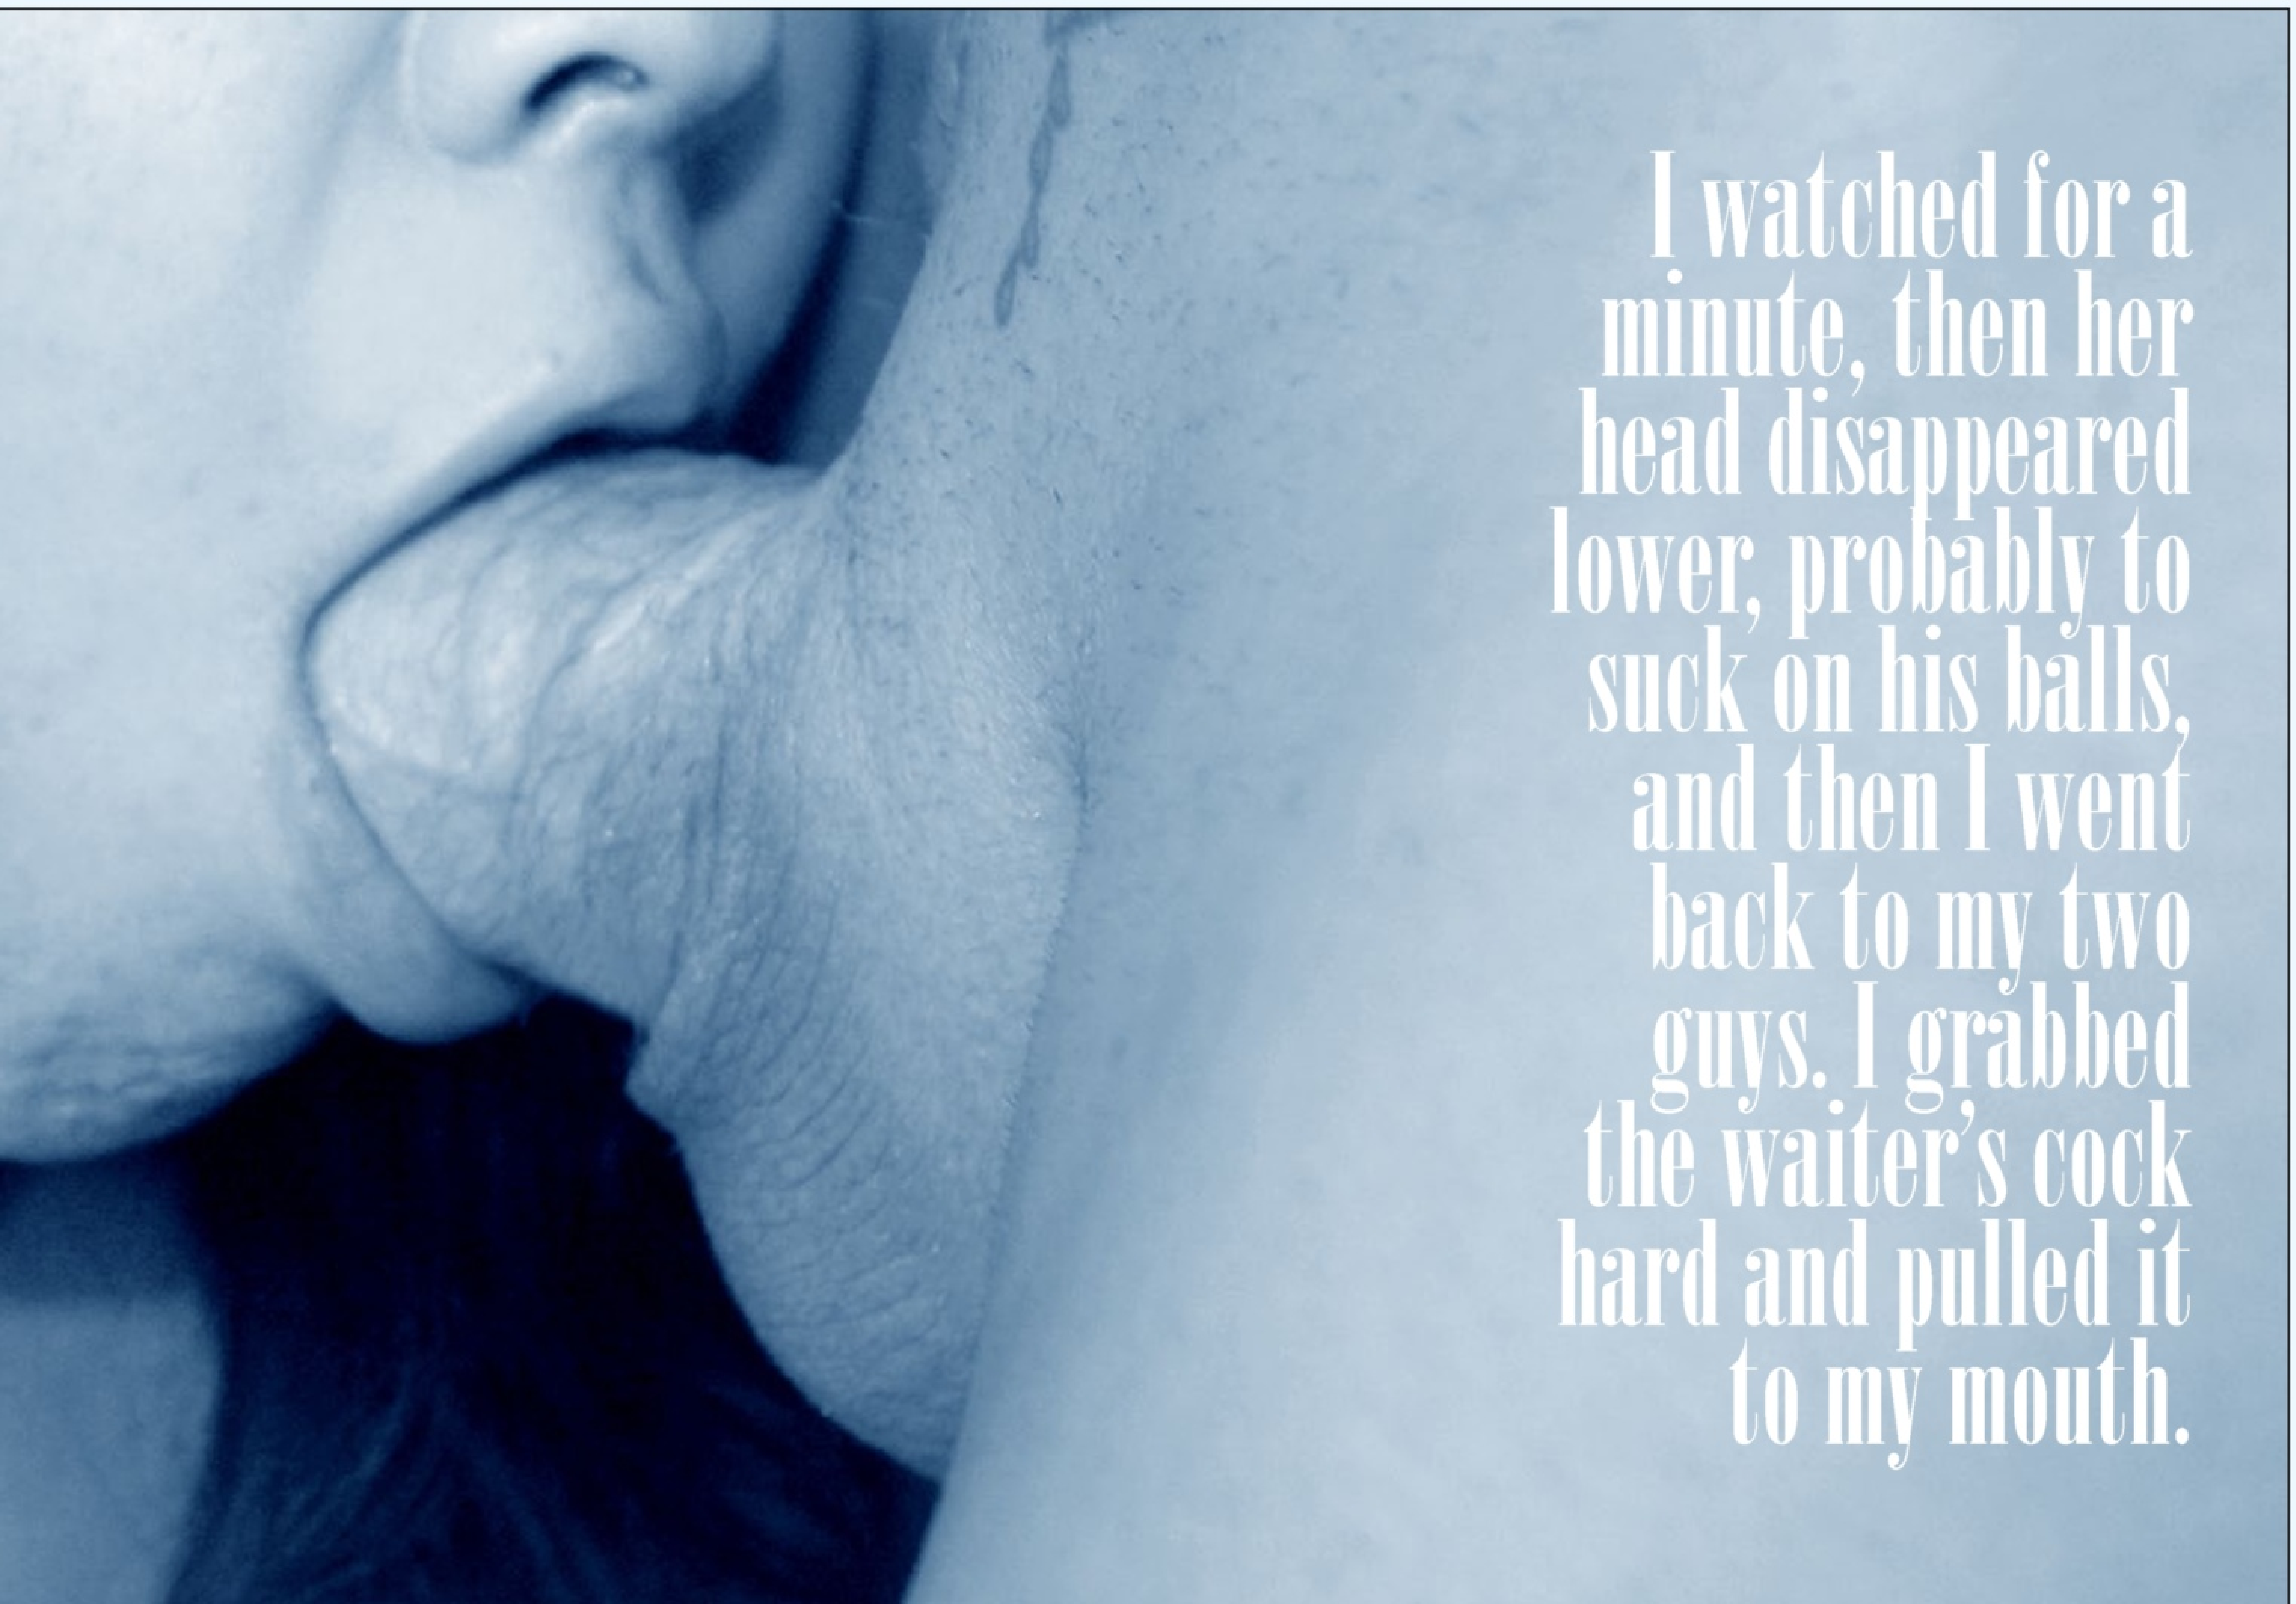
Suddenly, we heard loud screams and groans from that couple in the middle. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Carlos wanted in on the action, so without hesitation he pulled me up, pulled my panty aside and sat me on his massive cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it.

My orgasms were huge, one after the other, bang, bang! Carlos couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with the boss but his flirting with me began to piss me off. I decided to slip him my number in his back pocket and told him to call me in a year, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again after that.

...Kristi, Austin



I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth.

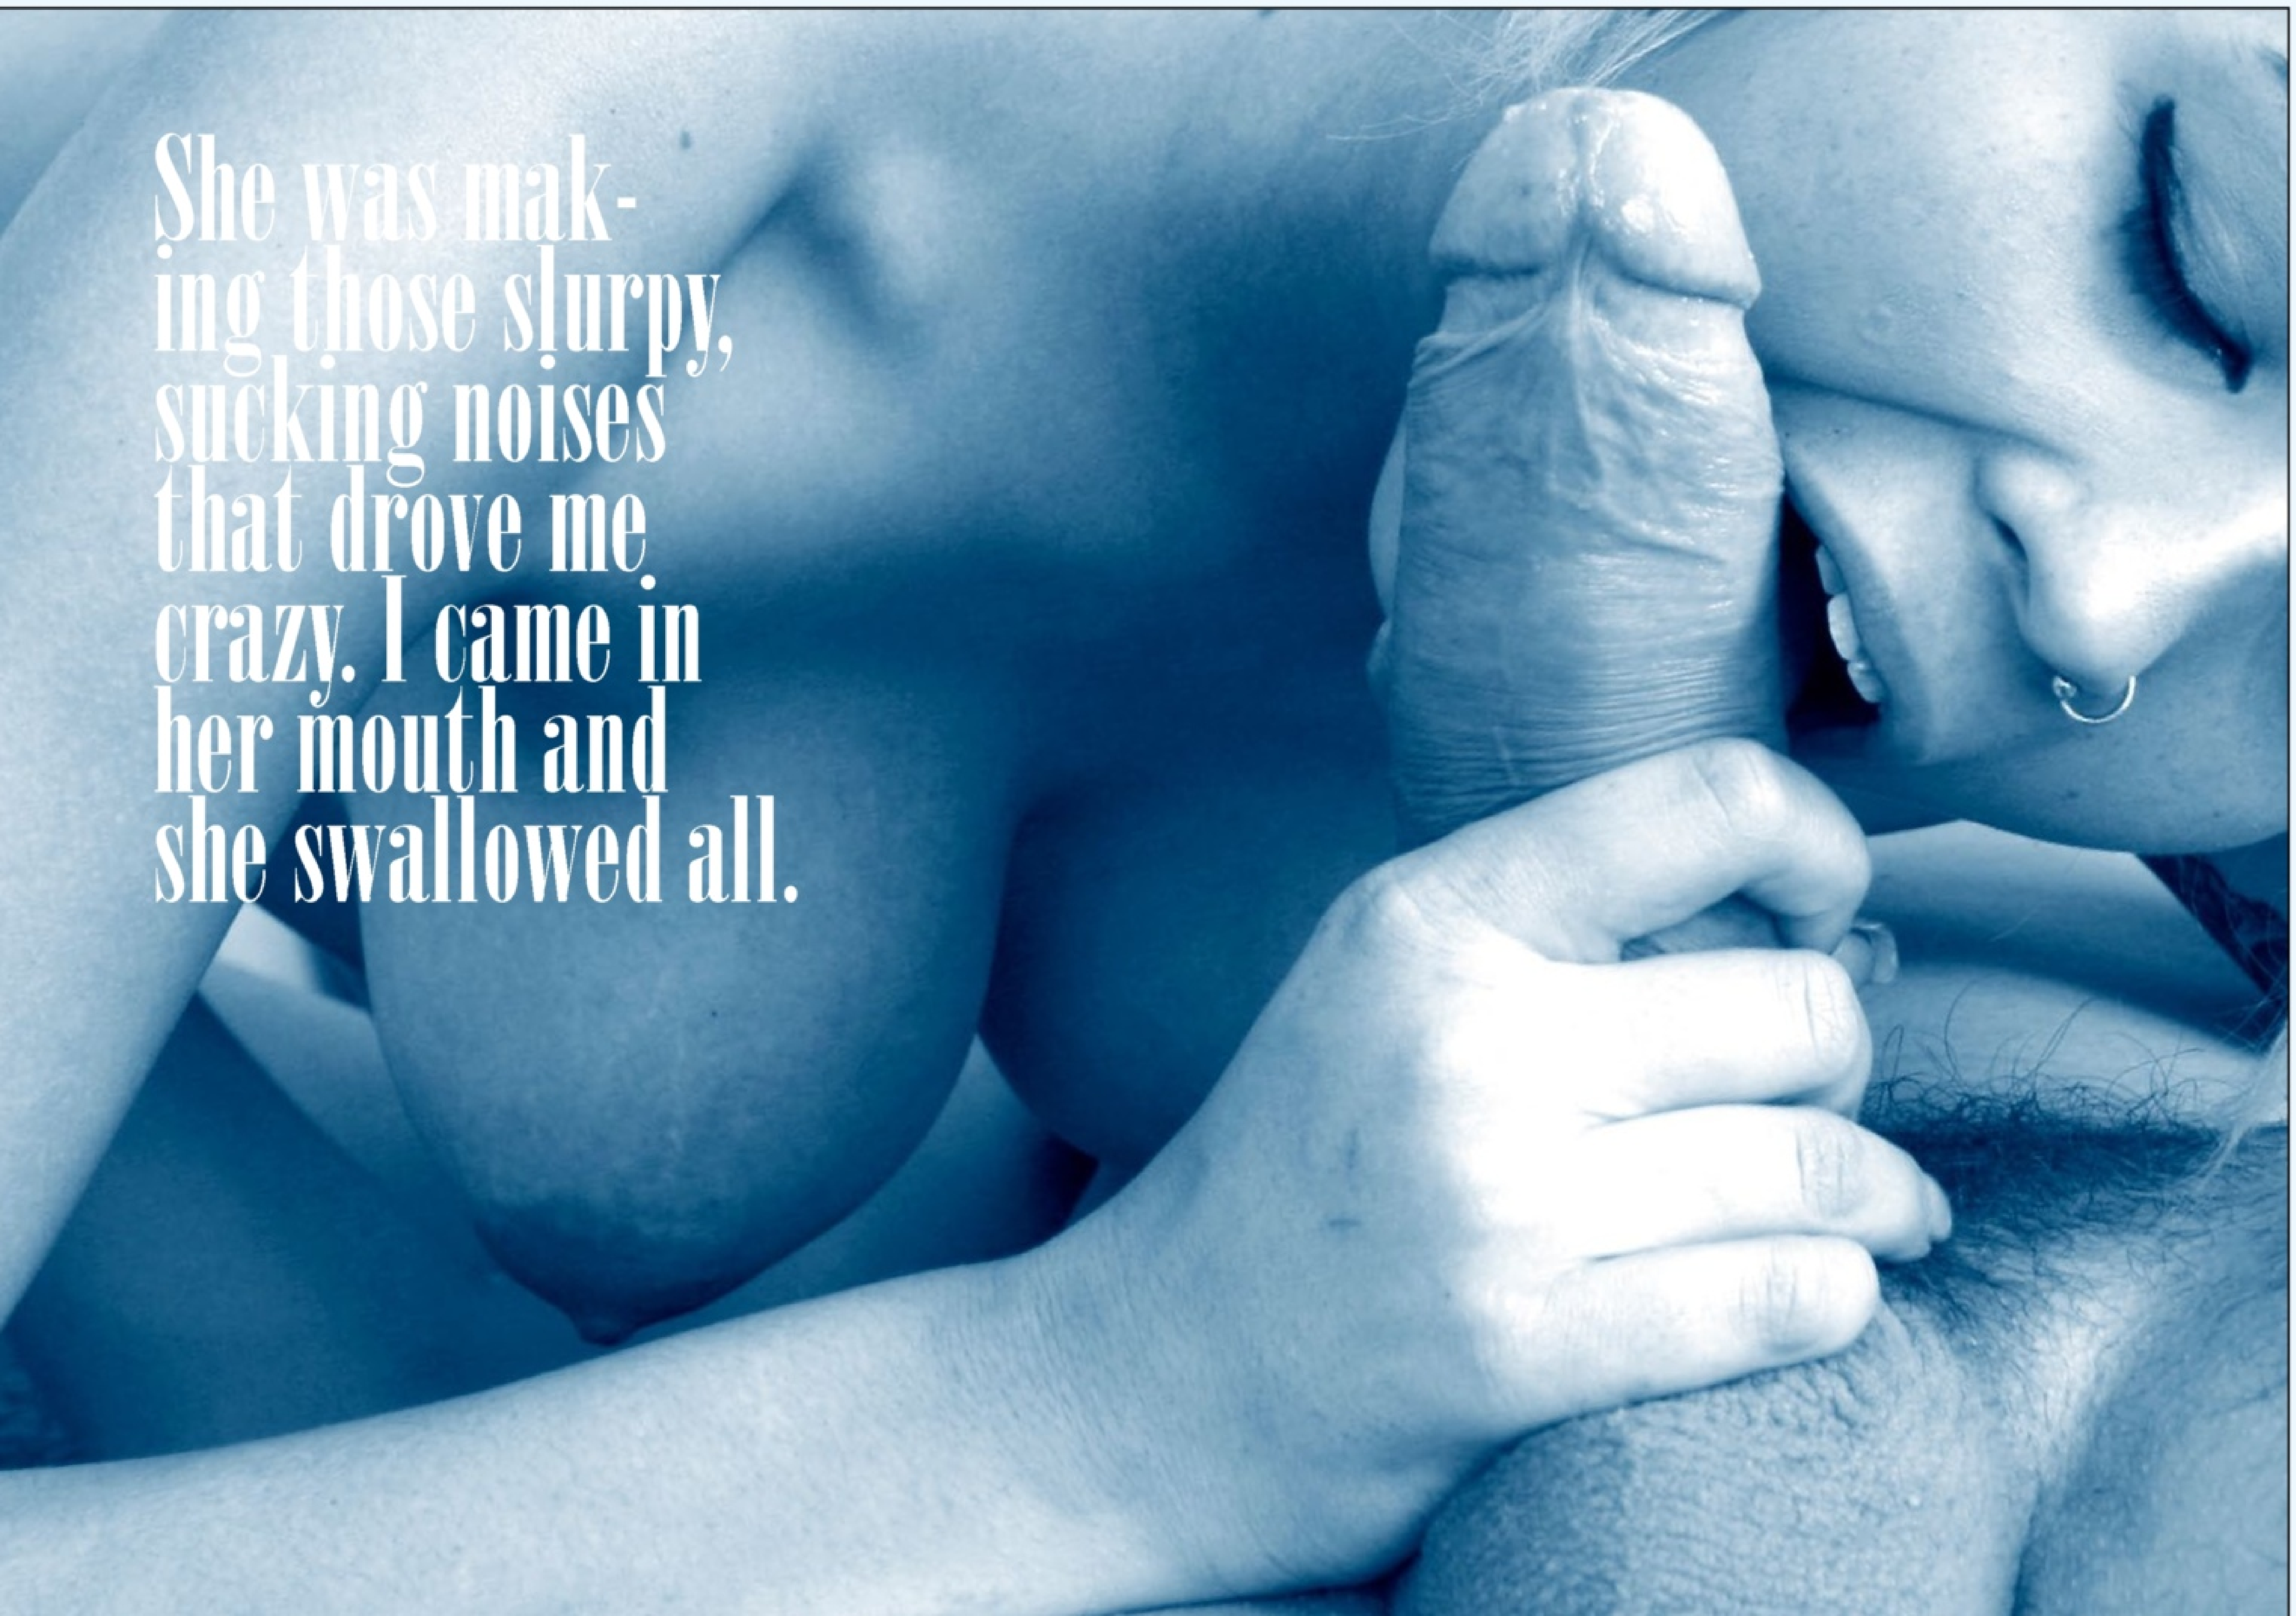
BRANDI SUCKS

I went outside to check out my brother's new girlfriend. Actually he said she's not his girlfriend, just a girl he picked up at a frat house and they've been 'partying' for a week now. If that was the case, why did he bring her home during spring break? I think I know but didn't care. Her name was Brandi and she was tanning out by our pool. She saw me walking on the pool deck and motioned me over. "Would you be a dear and rub some of this lotion on my back?" she said holding out the sunscreen bottle. While I was rubbing the lotion, I worked it a little lower down her topless back to her ass and noticed I was getting a boner bulging against my shorts! Brandi rolled over in the lounger and noticed the protuberance. She looked up at me and smiled and asked if she could see it. At first I said 'no' but my small head then too over and made me ask where my brother was. She said he went to the baseball game an hour ago.

When she finished rolling over, her beautiful full breasts came into glorious view. Without missing a beat she again took the bottle of lotion and handed it to me, cooing to rub it on her chest. As she put the bottle back, the back of her hand brushed across my boner. Her hand came back and slid up my board shorts searching out my erection. As I rubbed the lotion on her chest, she found my woody and started playing with it. I touched her nipples and they responded by getting harder, like little pencil erasers. I massaged her breasts and she massaged my cock under my shorts. Then suddenly she pulled her hand out and sat up. She grabbed my waistband and said "These won't do. They gotta go," and in one swift yank they were down at my ankles. She nuzzled her full lips along the length of my hard cock. She pushed it up against my belly and her warm tongue was licking my balls.

She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed all. I wanted to push her down on her back, spread those smooth legs apart and do some long, slow meaningful strokes in her magnificent pussy. Maybe later I will.

... Barry, in blowjob heaven



She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed all.

devon & bree

Believe it or not, Devon and Bree were classmates. In acting class. Devon had a couple more years of it and decided to tutor Bree when she asked for help. One thing she did was to invite Oliver over for a reading but he walked in on the two of them playing with each other. They took over the situation and undressed him. Devon shoved her face in Bree's pussy and showed him how to lick it right. Devon also got her pussy munched on by Bree and they both sucked his cock. They took turns getting their pussies pounded. In the end, Oliver got his part right. Right into their waiting mouths.

Alex was over at Lilly's house to help her with her math lessons. Her test was tomorrow and she could not afford to fail it. Somehow, Lilly couldn't keep her mind on the numbers. Seems the only number that mattered right now was the length of is cock. She reached over and started feeling him up right away. He saw where it was going and was all about the lesson, too. After a couple hours of hard work, they both came to the same conclusion... all over her pussy.

How do I pay for my lesson?

working it at work

The very first time I ever saw Verily, she had just turned twenty she told me when we were working at this huge water park outside of Orlando. I had been there three years and she was a rookie. She told me that she applied for a lifeguard position but they told her that her chest was too big and that might create unwanted situations around the park if she was in a swimsuit. We chuckled when she told me. Now she's a ticket-taker on the morning shift and a "patrol-girl" until her shift ends around six in the evening. She didn't really have a uniform, just street clothes, so she could blend inconspicuously with the crowds. That's where I come in. I was the "patrol-guy" assigned to work, er, walk, with her. We were to look like a young couple out for the day at the park. It was a great job, but did get a little boring after a few hours in the hot sun. But it did give us the chance to be together, although she had other partners for the weekend.

Verily indeed did have a very nice chest. Probably one of the best I have seen in three years. I don't really know how women measure their boobs or what the figures mean, but Verily said she was a 36DD. All I knew is that they were two handfuls each, and they were firm enough for her to be without a bra sometimes, but not at work. On rainy days, the park would occasionally shut its doors, but we still had to work. It was a relief from the relentless sun, and the management was pretty easy on us. As you guessed, one rainy day we had to clean up the park. Not just trash on the pathways, but in the bushes and behind the buildings. Verily wore a tank top and running pants and I was in a t-shirt and cargo shorts as we went in and out of every area that could hide even the smallest gum wrapper. During one extremely powerful, but brief, downpour, we waited under an awning commenting on how loud the drops sounded on the metal covering. I couldn't help but look at her pussy lips pushing their way against her shorts. They were quite pronounced. Quickly I realized my cock began to grow bigger and bigger.

Did I mention that her top had formed itself around her full boobs and her nipples were pushing out. Of course I didn't, I was too busy looking at her. We made eye contact for a brief moment, then her eyes dropped down to my cock and its stiffness. Her arm reached over and kinda pinched it, testing its hardness. With the other she lifted her soaked top and offered her boob to my touch. Yes, that's exactly when the downpour stopped and so did we. She smiled and said she'd like to get together tonight, if that was okay with me. Was it? Hell yeah! "Six, then?" she said, but what I heard was "Sex then?" Hell yeah!

Her place was on the other the other side of town. My mind got out of the gutter and I arrived at six. She was in a similar outfit as earlier, but dry this time. I had showered and shaved and trimmed the man bush, ready for action, I hoped. She had ordered a pizza that we devoured in ten minutes. Wasting no time, this time, she asked me if I was really as big at it seemed earlier today. I looked down at it starting to rise again and told her that it's hard to hide a nine inch cock when it wants up.

She said that she wanted to touch it there but it wasn't the place. As I was starting to respond, she cut me off saying she wanted to feel it now because I felt her boobs. So I pulled it out and her eyes got big as hell and a big smile came across her face. My cock was throbbing as she reached down and began tugging at my balls. I was going to tell her that she was going a little too fast, until I felt her teeth nip the head of my cock. I quickly looked down and realized she had my balls in one hand and her mouth fully wrapped around the head of my cock. I gave in slightly and pushed towards her mouth with my hips. I felt her teeth slightly dragging against my shaft as she ran her mouth it's entire length. I tried to slow her down again but all that came out of my mouth was a long moan. She moved her head back pulling her lips along my cock slurping and sucking as she went. My balls were still tightly grabbed within her hand as she reached the head and then she pulled at my balls as she engorged my swollen shaft again. I let out another moan. This was like no other blowjob I'd ever had before. She used my balls to control how close my cock was to her face. If I tried to pull back, she gripped my balls tighter and drew me into her mouth.

After just a few strokes, she must of known she had complete control of me. I began to move my hips causing my cock to pump in and out of her mouth. I was amazed at how much of my cock she was able to get into her mouth on each stroke. I could feel her fingers letting up on my balls, yet massaging them gently as she sucked away at my shaft. Her mouth felt so good, I didn't want to pull out anymore. Her hot moist mouth was causing me to have too much pleasure at this point. I wanted it to go on for hours. However, I knew that I couldn't last too long and that soon I'd fill her mouth with tablespoon fulls, no make that cup fulls my cum.

I was just enjoying the pleasure that Verily was thrusting on my cock. My pants were down around my ankles, her free hand held my hip

I was amazed at how much of my cock she was able to get into her mouth on each stroke.

as she worked away at my manly meat. I could feel her hand grasping at my butt cheeks as the other gently massaged my swollen balls.

As her mouth tightly gripped my cock and moved up and down it's length, I pushed my hips forward in response, knowing she wanted more of my cock in her mouth. I let out another moan of ecstasy as her fingers moved up the shaft of my cock, gathering moisture from her mouth. I felt her fingers slide past my balls and as she engulfed my cock in a giant stroke of her mouth I screamed with pleasure. Like a pro, she sucked away at my cock, while I moaned. I knew I was about to cum. I moved my hips forward and back trying to keep time with her motion. Our face fucking dance was about to cum to an abrupt end as I was about to explode. With a smack, she pulled her lips from my cock and the hand that once wrapped my balls began to stroke my cock in the same motion that was once her mouth.

Hot cum exploded from my cock, I'm sure it was all over her face. I felt her lips on my cock again as she massaged my balls, as if she were trying to extract every last drop of cum from my sack. I felt my knees go weak. "I gotta sit." I moaned. She giggled again and led me towards the sofa. She continued to stroke my now shrinking cock. Verily was smiling and wiping slippery jizz from her face. "That was well worth it" she said. All I could do was smile. She leaned in and we locked eyes, then she leaned closer and I ran my hand up behind her head, pulling her face to mine. We kissed. I kissed her passionately for about a minute and as I did, I ran my hand up between her legs and caressed her pussy lips. I then whispered in her ear... "I want to fuck you, V..."

She laid back on the sofa and I pulled down her shorts. As I was doing that and pulling her top off, she fondled me back to full hardness. Her pussy was dripping wet and I put the head of my dick in. I went slow at first, but when more went in, she finally realized how big I was and she screamed out, "Damn, your dick is huge." I pushed it in a little more until I was balls deep in her, and pounded her harder and harder each time it went in. Verily pushed at my hips trying to ease them away as she screamed. Hearing her groan like that, I got into it more, making her cum, by my count, three times.

We spent the night together, with some little less frantic sex this time. Morning came and she had to leave by seven because she had to get her ticket booth ready for the day's crowds. My call time was at eight so I got an extra hour in bed, because no matter how hard I tried, I couldn't convince her to call in sick!

I pushed it in a little more until I was balls deep in her, and pounded her harder and harder each time it went in.

nikki & yana

Yana finally got Nikki to go on a date with her after several tries. Nikki was just so nervous because Yana is so beautiful. While on the date, Yana fed her some desserts and told Nikki how she was going to ravage her body. Nikki could not resist and went home with Yana. Once they arrived, Yana began making out with her. Soon after, they were undressed and eating each others luscious pussies and assholes. Yana put her sweet pussy on Nikkis face and the two enjoyed themselves.

I know that you can make me feel better

I'm laying in bed trying to get better from a bad cold when my boyfriend comes over to help take care of me. The warmth of his touch woke up a ferocious desire for sex in me, and I sprung immediately onto his cock and begun sucking. The passion and lust built as I took my young lover and showed him what it took to cure me of the blues. After he licked me and fucked me, I really felt better. Plus, I think his sperm was just the remedy I needed for my cold.
